Montgomery Blair High School Magnet Junior Named as Key Club Lieutenant Governor

Silver Spring, MD—On January 28, Tripti Soni, a Montgomery Blair High School Science, Mathematics, and Computer Science Magnet Program junior, was elected Lieutenant Governor of District 17 of Key Club International. Key Club is the oldest and largest service program for high school students and is an affiliate of the Kiwanis Club International. Key Clubs are found primarily in the United States and Canada but exist in thirty countries worldwide. The Montgomery Blair Key Club is sponsored by and receives support from the Bethesda Kiwanis Club.

Soni was elected by attending officers of each Montgomery County Key Club at the January Presidents' Council Meeting, where she first presented a speech and was questioned by current officers. She will be installed as Lieutenant Governor at the Capitol Key Club Convention in Arlington, Virginia on March 19-21. As Lieutenant Governor, she will lead all Key Clubs in Montgomery County over the upcoming year. Each month she will hold a meeting for all officers of these various clubs. Magnet teacher Mary Ann Dvorsky serves as advisor for the Montgomery Blair Key Club.

About The Montgomery Blair High School Magnet Foundation

This organization was founded by a group of concerned students, teachers, administrators, and alumni in 2008. Its purpose is to promote science, mathematics, and computer science education by supporting the Magnet Program at Montgomery Blair High School in its efforts to develop resources and refine practices needed to provide a rigorous and enriched education for students, staff, and the community at large. The Foundation is incorporated in the state of Maryland and is a 501(c)(3) tax-exempt organization.
